- ★ **MATH.** This week we will finish learning about number 6-10, practice counting by ones and tens, and continue our patterns and calendar routine.
- ★ **SOCIAL STUDIES.** This week we will finish up different types of weather and start learning about traditions and hibernation.

REMINDERS

- ★ Please empty and send take home folders everyday!
- ★ Make sure you are packing a healthy snack in a separate container (check that it does not contain nuts)
- ★ If you missed your conference, please contact me to reschedule
- ★ Please make sure that your child is bringing his or her iPad to school everyday and that it is fully charged. The students should not be using ST Math at home, but are welcome to use iReady, IXL, and Moose Math to work on math skills
- ★ Please be sure to send your child to school with a warm coat to wear. The playground can get windy and cold. If there is snow on the ground, students need a coat, snow pants, boots, gloves and hat to leave the blacktop area. Don't forget to label clothing items with your child's name!
